

Salerno festival

3rd - 7th July 2019
10th international choral festival

Welcome

Welcome to the **10th edition** of the Salerno Festival. From **3rd to 7th July** Salerno and the welcoming land of Naples and Amalfi Coast will host the choirs participating to the festival, an event that has been renewed since 2010 and which has seen over the years a presence of over 300 choirs and 11.000 participants from all the Italian regions and from abroad. Five days of **music, art, culture** and **sunshine!** Many events scheduled with concerts in Salerno and in the beautiful Amalfi Coast and beyond. Italian and foreign choirs of any type are invited to participate (vocal ensembles, children, school, young, male, female and mixed choirs) and with different repertoire proposals, from sacred music to profane, from popular music to pop arrangements. As usual there will be some **guest choirs, new locations** and **surprises** to enjoy all together.

In addition to the concerts, we will have some **workshops** on specific high profile repertoires and conductors.

And in your free time you will have the opportunity to admire the beauty of this land: from the wonders of the **Amalfi Coast** (Amalfi, Positano, Sorrento, Ravello) to the majesty of the Valley of the Temples of **Paestum**, the charm of the archaeological parks of **Pompeii** and **Ercolano** at the **Royal Palace of Caserta**, the largest royal residence in the world, from the pulsating heart of Via Toledo in **Naples** to the shops of Via Mercanti in **Salerno**.

Without forgetting **the buffalo mozzarella and pizza**, as you've never eaten!

Salerno Festival: music, art and culture.

A concentrate of enjoyment with the right ingredients for a choral experience to remember.

We wait for you!
